¹ This month's Flash CCI is computed on the basis of consumer survey data from all 27 EU countries and all 21 euro-area members, including Bulgaria that joined the euro area on 1 January 2026. Past results were slightly revised due to seasonal adjustment, the annual update of country weights and the inclusion of Bulgaria in the euro-area aggregate.

² The consumer confidence indicator builds on replies to selected questions addressed to consumers according to the Joint Harmonised EU Programme of Business and Consumer Surveys. More information on the consumer confidence indicator as well as time series can be found via the following link: https://economy-finance.ec.europa.eu/economic-forecast-and-surveys/business-and-consumer-surveys_en.
